ISSN: 1873-5592 (Online)  
ISSN: 1389-4501 (Print)

## Aims & Scope

Current Drug Targets aims to cover the latest and most outstanding developments on the medicinal chemistry and pharmacology of molecular drug targets e.g. disease specific proteins, receptors, enzymes, genes. Current Drug Targets publishes guest edited thematic issues written by leaders in the field covering a range of current topics of drug targets. The journal also accepts for publication of full-length/mini review articles and drug clinical trial studies.
