ISSN: 1875-6387 (Online)

Aims & Scope

Current Respiratory Medicine Reviews publishes original research papers, frontier reviews/mini-reviews, drug clinical trial studies, and guest-edited issues dedicated to clinical research on all the latest advances in respiratory diseases and their related areas (i.e., pharmacology, pathogenesis, clinical care, and therapeutics). The journal is essential reading for all clinicians and researchers in the fields of respiratory medicine and associated specialties. In addition, it also covers a wide variety of
